

# SHARE in the FIGHT

## Benefit For Cindy Lindsey

Last summer, at 31, **Cindy Lindsey** was diagnosed with liver cancer, which has since metastasized to her lungs. The family and friends of Cindy are organizing a benefit night to help her in this battle. Please come out and help 'share in the fight'. Your continued prayers and support are greatly appreciated.

To read more on Cindy's story, please visit our website at: <http://cindy.buibase.com>.
