**Council of Asian Pacific Americans presents
“Splendor of the East 2009”**

For Immediate Release

February 16, 2009

Northville, MI. – On Friday, May 1, 2009 at 7:00pm, the **Council of Asian Pacific Americans** (CAPA) will once again bring their popular annual culture showcase “*Splendor of the East 2009*” to the Ford Community and Performing Arts Center at 15801 Michigan Avenue in Dearborn, MI. CAPA (www.capa-mi.org) strives to unite Asian Pacific Americans and the community at large through culture, education, and community services.

As in years past, the “*Splendor of the East*” program will promote the unique cultural heritage of Asian Pacific cultures through spectacular musical and dance performances exhibiting the colorful cultures of our neighbors on the other side of the globe. This year’s event theme is “*Coming to America – A Cultural Collage*”, and will present both traditional Asian-Pacific heritages as well as American cultural influences on immigrants.

Please mark your calendar for May 1, 2009 to come out and behold the beauty of the merging of traditional and contemporary Asian cultures, through a story told in a choreographic masterpiece representing the flowing colors of the East.
