THANK YOU LETTER

Dear Leadership Summit partners and friends,

Thank you for participating in the 2011 Statewide Asian Pacific American Leadership Summit sponsored by CAPA on December 3, 2011 at the Comerica Operations Center in Livonia. Your participation and attendance brought many Asian Americans and friends together to celebrate and share each other's successes and achievements in your respective communities and beyond. We had the good opportunity to collaborate among various groups on selective issues on business development, civic participation, health care, education, social services and cultural enrichment. And on a personal basis, we networked and enjoyed warm camaraderie among one another. All of these efforts were directed towards achieving the purpose for which we all came to do at the summit which was to contribute ideas towards the revitalization of Michigan.

All our hard work paid off. As promised, CAPA put together the results of the report out sessions and the feedback including the suggestions for improvement and follow up. I'm also sharing the summit partners' missions to encourage you to work together if you have similar objectives to carry out. All these information are now available on our website by accessing www.capa-mi.org. I invite you to check our website and share the information with your respective groups. These reports are not the end of CAPA's commitment to you. We will continue to join forces to increase our cross-organizational collaboration throughout the year. I invite you to continue sharing with us your ideas, suggestions, activities, events and programs to keep everyone in touch. CAPA through its e-Newsletter reaches out to hundreds of contacts in the Asian communities. I invite you to send out news and information and we will disseminate them to all our individual and organizational members.

As a token of our sincere appreciation for your interest and participation in the summit, CAPA is preparing a nice memento booklet to be given to each summit partner. This souvenir booklet will have pictorials taken at the summit. Once again, thank you for being part of the 2011 Leadership Summit and see you all again soon!

Sincerely,

Arcie Gemino
